

Families tip: Geocaching - treasure hunt

Welcome to Wusel's treasure hunt in Achenkirch! The rucksack which you will receive at the Information office in Achenkirch will contain all the necessary equipment for the treasure hunt. Wusel's treasure hunt is a simple multi-cache hunt in the surrounding area. The eight family-friendly stations are scattered around the village of Achenkirch. The duration depends on you - from two hours to a day's outing - because some of the stations invite you to linger. You will need to find out the correct target coordinates to find the treasure. At each waypoint you will find a clue that will bring you a step closer to your goal. Further information is available at the Information offices of the Achensee holiday region.

Who can participate?

All children between 4 and 11 years holidaying in the Lake Achensee region are welcome to join. We have organised a youth programme for youngsters aged 12 years and over. Pick up our flyer to find out about your action-packed holiday at Lake Achensee.

Registration

There is no registration necessary. Please note the information for the family day on Wednesdays and the family night scouting game on Thursdays.

Good to know

Our children's programme is free! We only charge a contribution of EUR 7.00 per child for food. Family day on Wednesdays: Adults pay EUR 10.00 for lunch (excluding drinks for children and adults). Round-trips with the Karwendel cable car for children and adults are not included.

What do I have to bring?

You will need sturdy shoes and appropriate clothing, a rucksack which you can carry yourself and for Fridays please bring swimming gear. For the free bus transfers you will need the AchenseeCard. If the event planned cannot go ahead because of bad weather, we shall make for our children's party room where we can paint, do handicrafts, play and much more. Just be ready for surprises!
