

Tip for families: Geocaching - treasure hunt

Welcome to Wusel's treasure hunt in Pertisau

The rucksack which you will receive at the Information office in Pertisau will contain all the necessary equipment for the treasure hunt. Wusel's treasure hunt is a simple multi-cache hunt in the surrounding area. The eight family-friendly stations are scattered around the village of Pertisau. The duration depends on you - from two hours to a day's outing - because some of the stations invite you to linger. You will need to find out the correct target coordinates to find the treasure. At each waypoint you will find a clue that will bring you a step closer to your goal.
